Article I

The name of this organization is the Coding Club

Article II

The purpose of this club is to help teach students important concepts of computer science and to be able to use this knowledge in future endeavors.

Article III

Membership is open to all students attending Roosevelt High School but will be limited based on school laptops available for students without access to a laptop and space.

Article IV

The membership of the executive board will consist of a President, two Vice Presidents, Secretary, Treasurer, and Historian. Each officer must be a Junior or above and the President, Vice Presidents, and Secretary must have an understanding of programming and its concepts. This requirement will be determined by the former President, Vice President, and Secretary during elections. Methods to get around this rule such as teaching the prospective officer how to program in order to prepare them for the next school year is allowed.

Article V

Regular meetings shall be held every Tuesday and Thursday in F103. Officers are allowed to hold a vote whether or not a meeting is to be canceled due to circumstances inhibiting the schedule of our members such as AP exams. The highest authority present must determine if the given reason is a valid circumstance to cancel a meeting in order for a voting process to begin.

Article VI

The minimum quantity of members required to start a meeting is to be determined by officers of the meeting's day. If no agreement is reached then a voting process will start requiring the majority vote to either cancel or continue the meeting.

Article VII

New ideas for events for the club are initially suggested by an officer to the executive board. The suggested event must be approved by a majority vote of the officers in order for the idea to go into effect. The president has the ability to veto the idea if the idea goes against the ideals/purpose of the club. For non-officers, members must appeal their idea to one of the officers. If the officer agrees with the idea then they will present their idea to the executive board and go through the same approval process listed above.

Article VIII

Club Events will be mainly online or at school for competitions and other types of events. Events at school will be handled by the club advisor. Any events may be vetoed or forced for modification due to the decision of the club advisor. Events that coincide with school hours will be reviewed and approved by the authority of Roosevelt High School. All events require caretaker permission and approval in order for members to participate in. Information on events will be printed and given out to members prior to these events. Events that require serious commitment will require signatures of parents, members, and the school in order for participation.

Article IX

- *Amendments must first be brought up to the executive board by an officer. Non-officers will need to present their amendment to an officer and have them present it to the board.*
- *Once presented, the club officers will vote on the change, requiring a two thirds majority in order for amendment to pass on to the next stage.*
- *The President and Vice Presidents will then be tasked with finalizing the addition of the new amendment and has the power to veto the amendment. The President and Vice president must both be in agreement for the amendment to be fully put into effect.*
- *If an amendment is vetoed by the President or Vice President, then the rest of the officers must modify or gain an unanimous vote and have the support from either one of the Vice Presidents or the President in order for the new amendment to be put into effect.*
